Jim Doyle
Chair ALSA Ethics Committee

From: Jim
Sent: Fri, Jun 1, 2012 8:45 am
Subject: Recommendations for C. Kindler

The Ethics Committee has been asked to visit C. Kindler's misbehavior a second time and to clarify our first recommendation.

The Ethics committee feels that C. Kindler's posting of confidential material from ALSA board meetings is an **ethics violation**.

She violated the following rules

Page 166 of ALSA Handbook

Section 6. BOD Conduct

(a) Items of expected behaviors of BOD members are: respect, confidentiality, responsibility of a timely response, opportunity of opinion on all issues, avoidance of conflict of interest. Threatening and/or slanderous emails to other BOD members are not acceptable.

(minutes 1-16-08)

(b) **It is not appropriate for BOD members to post on an internet chat list since it could easily represent only a personal opinion or a personal agenda and not the opinion of the ALSA BOD. (minutes 10-23-08)**

Page 156 of ALSA Handbook

Section 6. Member in Good Standing

A member in good standing is one who has paid the current membership fee or has a Lifetime membership. A member ceases to be in good standing upon:

(a) Failure to pay the annual membership fee, or any subscription or indebtedness due to the Association.

(b) **Suspension due to infraction of ALSA rules, or**

(c) Permanent suspension by a two thirds (2/3) vote of the Board of Directors.

The Board may cause the name of such member to be removed from the register of members. Such a member may be admitted to the membership by the Board upon their receiving such funds, as they may consider satisfactory.

If she was not on the board at the time of the posting of confidential material then she violated the (Member in Good Standing) rule which makes her ineligible to be a judge.

Below are the opinions for the 2nd submittal of the Ethics Committee.

Recommendation regarding Cathie Kindler

1. ALSA Judging license be revoked (Webster Dictionary-to annul by recalling or taking back: repeal, rescind) She does not get it back ever.

2. The original suspension of 2 years be reinstated. She cannot take part in any ALSA functions for a period of two years, **because her life time membership is not in good standing.**

Larry motioned that Cathie Kindler's ALSA membership be suspended for a period of two years effective immediately (June 12, 2012) and in accordance with Section 2, Violations and Penalties, Part 3 Penalties , b & c page 145 and 146 of the ALSA Handbook not be able to participate in or at any ALSA function due to her Unethical and Unprofessional behavior according to the current ALSA Handbook and the findings by the Ethics Committee. Keith seconded. Motion carried unanimously.

The liaisons' have the BOD's approval to notify the appropriate Committees of the above motion before the minutes are posted.

Chair: Cindy Ruckman

To: ALSA Board of Directors
Subject: ALSA Llama Fleece Committee Report for June 2012
ALSA BOD Meeting
Date: June 11, 2012

Dear ALSA Board of Directors,

The Llama Fleece Committee would like to make the following recommendations:

1. In an effort to clarify confusion regarding points awarded for llama fleece, page 33 of the new handbook (35/188 of the online document toolbar), D. 4 states: *There are no points recorded for Champion and Reserve Champion at Halter, Performance Cart Driving, or Fiber. These achievements are recognized under ALSA Champion and Elite Champion Awards.* (per Robin Turell at the ALSA Office, "Halter" should not be here. Grand & Reserve Champions in the Halter division are awarded points; Performance divisions are not awarded points). The "Points Chart" (187/188 of the online document toolbar) does not exempt any Champions/Reserve divisions and therefore it could be interpreted that animals earning a Grand and/or Reserve Champion will receive points based upon their division and not just their class. Additionally, Section O, 3, h (pg 100, 102/188 of the online document toolbar) states: *Grand Champion and Reserve Grand Champion points will be given in each fiber division, Double, Single and Suri. The champions will be decided by the highest points scored on the fiber score card. In case of a tie, the judge will determine which criteria to use to break the tie.* All of that being said, it is our recommendation that ALSA Points are awarded the any Grand and/or Reserve Fiber Champion and that everything should be tabulated as it is for Halter divisions.
2. Pursuant to Item 1, we recommend the word "fiber" from page 33 D4 for the 2013 18th Edition of the ALSA Handbook.
3. Pursuant to Item 1, we recommend that ALSA eliminate the ALSA Fleece ROM and ALSA Fleece Champion and replace these awards with ALSA Walking Fleece ROM, ALSA Shorn Fleece ROM, ALSA Walking Fleece Champion and ALSA Shorn Fleece Champion (tabulated via the results of each divisions classes). We believe that the addition of separate lifetime fleece championships will encourage participation and add clarity to the ALSA Fleece Championship status.

Other discussion points include:

1. Updating the ALSA Fleece Scorecards with the updated ALSA logo and reorganizing the placement of criteria so that "Cleanliness & Preparation" are at the bottom;
2. Updating the Llama Fleece Judges Manual so that it is updated for the August 2012 Llama Fleece Judges Clinic;
3. Considerations for new scorecards as of January 1, 2013

Respectfully submitted,
Cindy Ruckman

A) Tabled from May meeting

Judges' Committee Report

May 2012

The committee has been reviewing requirements for an ALSA judge to become an ALSA instructor. Reviewing previous handbooks and guidelines it has come to our attention that key wording has been lost over time regarding the criteria for an ALSA judge to become an instructor. The following is the current wording as it appears in the 17th Edition.

C. The Judges' Committee makes recommendations to the Board of Directors for instructors, assistant instructors and apprentice instructors.

1. An instructor must be a member in good standing, a licensed Llama or Alpaca Judge and have prior instructor experience. To be placed on the recommendation list, an Instructor must first successfully complete at least two (2) approved ALSA Judging Clinics as an Assistant Instructor with a favorable evaluation from the Instructor. All instruction materials must be approved by the Judges' Committee.

During the tenure of Virginia Christensen as the chair of the Judges' Committee the current chair had discussions with her as to the requirements for a judge to become an instructor. This was in relationship to

the current Judges' Committee chair's position as chair of the Education Committee. It was covered at that time that a Level 3 judge needed to complete at least two (2) Assistant Instructor positions in their chosen discipline (i.e. llama halter/performance, alpaca halter performance, llama fleece or alpaca fleece). As the wording stands at this time a fleece judge who had completed two assistant instructorships with favorable reviews could at this time also apply for a position as a llama or alpaca halter/performance judge.

Therefore we would like the following change to the above paragraph:

, an Instructor must first successfully complete at least two (2) approved ALSA Judging Clinics as an Assistant Instructor, **in their chosen discipline**, with a favorable evaluation from the Instructor.

In addition we would like to make a correction to the following wording in the opening line:

1. An instructor must be a member in good standing, a licensed Llama, Alpaca **or Fleece** Judge **with five (5) years judging experience** and have prior instructor experience.

The conversation with Virginia further clarified, back at that time, that the list of instructors available for clinics was only changed if an instructor requested to be removed or due to violations and/or disciplinary actions was removed from said list. It appears that has not been followed and instructors have been left off for reasons unknown.

At this time the committee wishes to propose that the Standard Operating Procedure for maintaining the list of approved ALSA Instructors be as follows:

An ALSA instructors and assistant instructor list will be maintained by the ALSA Judges' Committee based upon the following criteria:

- Completion of requirements to become a certified ALSA Instructor.
- Maintain within the Instructor's Judges file a list of clinics instructed and reviews of said clinics.
- Maintain within the Instructor's Judges file any complaints or disciplinary actions directly related to their position as an instructor.
- Any requests by said instructors to take a leave of absence or retirement.

Using said criteria the ALSA Judges' Committee will at least once a year review the ALSA Instructor and Assistant Instructor list with subsequent recommendations to the Board of Directors.

The ALSA Judges' Committee will at review any complaints of an instructor submitted to this committee and will investigate said complaints. If complaints are validated disciplinary action will be reviewed by the ALSA Judges' Committee and then recommended to the ALSA Board of Directors.

Disciplinary action will be based on the severity of the complaint and could include, but not limited to, any of the following:

- Letter of warning to be placed in said instructors file.
- Suspension as an instructor with the requirement that said instructor will be required to reenter the ALSA Instructors Program and complete all levels of that program satisfactorily.
- Revocation of instructor's certification without possibility of reinstatement as an instructor.

The committee would like to also clarify that all ALSA Judge's files are the property of the ALSA Judges' Committee and will be maintained at all times by said committee.

Keith motioned to approve the May Report as written. Larry seconded. Motion carried.

B) June report

ALSA Judges' Committee Report
June 2012

The committee was asked to review two items and provide our thought and input on them.

The first item dealt with a complaint filed against a judge who is currently under suspension. After much deliberation the committee felt this was an ethics issue decided to defer this issue to the Ethics committee.

The second item deals with the following rule as it appears in ALSA Handbook 17th Edition Part U Ethics, Section 4 - Judges:

C. Judge must not have personal contact with exhibitors (other than a brief greeting) until after the entire show is over. Examples of personal contact include but are not limited to: talking to exhibitors outside the ring, riding together, dining together, visiting in the barn, and viewing sale animals or attending llama or alpaca sales in conjunction with the show they are judging.

After discussion we believe that this rule is important. It clarifies what is considered acceptable behavior by a judge. In this era of smaller shows where most judges know many of the exhibitors many times something innocent can be misconstrued which could lead to the questioning of a judge's integrity.

We do want to clarify though that shows that have dinners or potlucks that are available for all the exhibitors to attend may invite their judge(s) to also attend provided the judge(s) is(are) allowed to obtain their food without the presence of exhibitors and are seated in an area which can be secured from any exhibitors who are still showing.

The committee has also submitted a proposal to both the Alpaca Committee and the Fleece Committee to make all ALSA judges equal as in doing away with Level and Senior designations and allowing recertification through CEC credits. This proposal has been suggested so as to remove any possible suggestion that there is discrimination against any of ALSA's judges.

Because this is a major change the Judges' Committee is aware of the need for the Alpaca and Fleece Committees to discuss and decide the best way to possibly adopt such a change. We are open to them for any discussion on this topic and hope that a decision granting equality to all ALSA judges can be put forth for implementation in January 2013.

We would also like to obtain board approval for a Beginners/Advanced Llama Judging clinic with a breeders segment to be hosted by Sally and Jeff Rucker, owners of Stage Stop Llamas. Their ranch is located in a central location in Colorado. Tentative dates will be in May or June of 2013. If approved Judie Moser will be the instructor with Barb Harris as her assistant.

Respectfully submitted,

A)

Joy Pedroni has asked for permission to hire Margaret Drew as a second performance judge. We have checked with the Judges Committee and confirmed that she has six years experience and will be sending that Committee the information needed to update her file regarding the other criteria (number of shows, etc.) Having two performance judges will make those classes go faster and be a benefit to the exhibitors.

The cost would only be her \$300 fee for one day and a meal or two on the day she judges. She will be attending the show anyway, so will pay for her own hotel and travel expenses. She will have animals entered in halter classes only, so there should not be any conflict of interest problem according to Part U, Section 5 (D) of the Handbook. To avoid even the appearance of a conflict I would request that the show schedule be adjusted so that all of the halter classes be completed before the performance classes begin. That way there will be no reason for the two judges to have any conversations before the halter classes.

It turned out that the cost of the facility is going to be much less than estimated in the original proposal approved by the Board at its March 13 meeting. At that time the cost was projected to be approximately \$1,466. When Joy drove up to Red Bluff, she was able to book a different part of the Fairgrounds which will only cost about \$750. With the money saved on the facility, there should be more than enough to cover the cost of a second judge.

Please submit this request to the other Board members and let us know as soon as possible if it is approved.

Thank you.

Cheryl J.

Trish motioned to accept the addition of Margaret Drew as the second performance judge. Keith seconded. Motion carried.

B)

Regional Championship Committee Report for June 12, 2012

1. Jim Doyle resigned as Superintendent of the Central Regional Championship when he was nominated to run for the Board of Directors in order to avoid any conflict of interest between the duties of the two positions.

Penny Thomas has agreed to take over for him and we request that the Board formally approve her as Superintendent of the Central Regional Championship.

2. It was discovered that an ALSA show to be held in conjunction with one of the Regional Championships was incorrectly listed on some event calendars as being sanctioned by another show association. That error has been addressed and corrected.

3. The Committee requests that the Board approve the request for a second performance judge for the Southwestern Regional Championship previously submitted via e-mail.

The Grand National Committee has made our selection, with the BOD's approval, of our Fiber Superintendent and the Fiber Judge.

We have chosen Sharilyn Ramsey as the Superintendent. She lives near York, NE and has been a fleece judge and has helped with the decorating and check in at the Grand National. She has been the Hobo Show Fiber Superintendent.

Our selection for Fiber Judge is Maryan Baker. We all know that Maryan is an excellent fiber judge and with her as the judge we will be able to only have one judge instead of two. This will save the National Committee the expenses of the second judge which would be substantial.

We have spoken to both of these ladies and they are both thrilled with the opportunity to serve in these positions if approved.

Could we please ask the BOD to take an e-mail vote as soon as possible so that we can get their contracts out and Sharilyn can get started with her job.

We are still working on the selection of our Performance Superintendent and will let you know as soon as we can.

Thanks,

The National Committee now has the selection for our Performance Superintendent. Steve Quackenbush is in Colorado and has served as the performance supt. for the Rocky Mountain Region on several occasions. He came highly recommended to us and after talking to him, he is eager to work on the National level.

Once again, if you could please get the BOD to vote by e-mail so that we can have these three people finalized, we would greatly appreciate it.

Thank you,

Dear Ms. Kindler

This letter serves to inform you that the ALSA Board of Directors has taken additional disciplinary action as results of an Ethics Committee investigation concerning the posting of ALSA information on the SSLA website. The complete report can be found on the ALSA website in the June 12, 2012 minutes.

At this time the ALSA Board of Directors has suspended your ALSA membership for a period of two (2) years effective June 12, 2012. During this two year period you must follow all rules of suspension per the ALSA 17th Edition Handbook; Part V; Section 2: A-3b and A-3c copied below.

b. Suspension of such persons for any period from showing or having others show, exhibit or train for that person. A suspended person is forbidden for the time specified in the sentence to hold or exercise office in ALSA or any Sanctioned Show, from privilege of taking any part whatsoever in any Sanctioned Show, and is excluded from all show grounds during Sanctioned Shows, as an exhibitor, participant or spectator.

c. Suspension of any llama(s) or alpaca(s), completely or part owned, of such a person at the time of the alleged violation. The Protest Committee or Board of Directors may at a later date remove the suspension of said llama(s) or alpaca(s) if a sale thereof is made in such a manner as to be a bona fide transaction and not with the intention of relieving the suspended owner of penalty.

This suspension should serve as a strong warning that your conduct will continue to be monitored and that another incident involving ALSA Rules will result in more severe disciplinary action, up to and including your ALSA membership being revoked.

Sincerely

Ken Forster
ALSA President
