

ALSA Committee members are selected by the Chair of the Committee and serve a one year term starting July 1 of the current year. The Committee Chair is selected by the BOD liaison of the Committee and also serves a one year term starting July 1st of the current year. The exception to this is the Regional, Grand National, and Fiber Committees which serve a one year term starting December 1st of the current year - following the conclusion of the Regional and National shows of that year. As Committees are selected, it is recommended that members are diversified as to their geographic regions to offer complete membership representation.

Committee Chairs should submit a Committee Report to their BOD liaison for each month's BOD meeting after it has been approved by all their committee members. (Minutes 8-15-06) Recommendations from committees are to be a consensus of the majority of Committee members, not just the opinion of the Chair. It is helpful for the BOD to even include the total votes (not names) of the Committee members on an issue in your report.
