*Special 2011  
Regional/National Edition*

Dear Llama Friends,

We're really excited to bring you this issue of Showring celebrating all the fun activities and exhibitors in all the 2011 ALSA Regionals, the four National Qualifying Shows, and the ALSA Grand National Show of Champions! This year, in addition to the ALSA Regionals, National Qualifying Shows were held. A more complete explanation of these shows can be found elsewhere on this page.

It's taken many contributors to get all this information put together and we thank each and every one of you who worked to collect show results or photos and get them to us.

We also want to thank all of you who have sent in your Business Cards to add to the holiday flavor of this publication. To celebrate the holidays, we've also sprinkled this issue with fun state Holiday Cards including everyone who has renewed their 2012 ALSA memberships at this time.

We hope you enjoy them!

Your show association has sanctioned many successful shows this past year and looks forward to many more exciting shows across the country in the coming year. ALSA appreciates all the support and involvement of its members and looks forward to serving you even better in 2012. Feel free to volunteer for committees of your interest or send in suggestions or comments. We welcome and need your input - ALSA is for you!

ALSA ..... the first and foremost LAMA show association in the world.

Cover Photo: We're happy to share with you the photograph that was the Grand Champion photo in the Youth Division of this year's ALSA Grand National Photography Show. Entered by ALSA youth, Lexi Foerder, this photo was the first place winner in the "Llama & Friend" division. Since this issue of Showring is also a celebration of the season, of greetings of love, peace, and happiness, the selection of this photo for the cover is most fitting and certainly illustrates those sentiments. The National Photography Show was judged by Joel Armstrong, the official ALSA Grand National photographer.

## ALSA National Qualifying Shows

In April of this year, due to the lack of Regional Show Superintendents in some areas, the BOD vote to allow Grand National Qualifying Shows in regions where there was no Regional Show scheduled. These were sanctioned ALSA shows that received approval to become a National Qualifying Show so exhibitors in their areas could qualify for the ALSA Grand National since an ALSA Regional was not scheduled.

The National Qualifying Shows had to be approved by the ALSA BOD. All six placings of all official ALSA classes at both the ALSA Regional Shows and the National Qualifying Shows qualified animals and exhibitors for the 2011 ALSA Grand National Show.

The Qualifying Shows had to follow all the rules of an ALSA Regional Show, but they were not financially backed by the ALSA organization. No ALSA monies or ribbons went to any of the Qualifying Shows. A Qualifying Show set it's own financial budget, fees, and purchased their own ribbons and awards.

While National Qualifying Shows served their purpose in 2011, the Regional Committee and the BOD have already decided that in 2012 ALSA Regionals will be held in every Region. Regional entry fees have been reduced for 2012.

The National Qualifying Shows held in 2011 were .....

- The Badgerland Show, May, 2011 in Jefferson, Wisconsin
- New York State Fair, August, 2011 in Syracuse, New York
- Sonoma Co. Fall Harvest Show, September 2011 in Santa Rosa, California
- HLAA Fall Show, October 2011 in Noblesville, Indiana

### Joint Shows in Castle Rock

The 2011 Rocky Mountain Regional Championship was held on Labor Day weekend in Castle Rock, Colorado, in conjunction with the LOCC Fall Classic Show. The number of entries was up from last year, and exhibitors travelled from six states to participate including Kansas, New Mexico, Utah, Wyoming, Texas and Colorado.

A silent auction gave everyone a chance to do some competitive bidding and help to support the RMLA Fiber Booth and an additional shopping opportunity was provided by vendor Charlie Hackbarth who had his pack equipment, halters, leads and other tack on display. Charlie also donated halters and leads that were awarded as prizes to Grand and Reserve Champions.

One of the highlights of the weekend was a great potluck dinner on Saturday evening, with steaks donated by Betty Robertson, a variety of salads and side dishes and an almost overwhelming array of desserts. Old friends and new acquaintances enjoyed an evening of good food, good conversation and a lot of laughs.

Thanks to Barb Harris and all the volunteers who made these shows so much fun, and to all of the sponsors for their support, including Betty Robertson, La Chiripada, LLC, Rockwood Llamas, 2 Bit 2 Llamas, Ranchway Feeds, Purina, Nutrena and Mt. Sopris Llamas Unltd.

# ALSA Southeastern Regional

October 1st & 2nd, 2011  
Gainesville, Georgia

Show Superintendent: Craig Swindler

## It was A Circus Celebration

The Opening ceremony theme for the Southeastern Regional in Gainesville, Georgia was Circus, Circus, Circus! Youth and llamas had Circus themed costumes and created a circus talent that was in the form of an obstacle. The Youth had a stage name that went along with their costume and talent and performed during both the Opening Ceremony and during the Costume Contest. This creative addition to the ALSA Regional Show was coordinated by Kim Kyst.

Immediately following the Costume Contest, youth, parents, siblings and other family members were invited to attend the Circus Celebration .... BBQ pork sandwiches and smoked chicken rounded out with sided dishes provided by the exhibitors. Who doesn't have fun at a Circus?

# HLAA Fall Show

## ALSA National Qualifier

October 1 & 2, 2011  
Hamilton Co. Fairgrounds  
Noblesville, Indiana

*Fun For Everyone*

This fall show enjoyed perfect midwest autumn weather and an atmosphere of fun and fellowship. Over 100 animals convened on this October weekend for this ALSA Grand National Qualifying Show. Sponsored by the Hoosier Llama Alpaca Association, the goal was “fun for everyone” and that was definitely accomplished. Many extra fun classes were offered in addition to the standard show classes - the favorite being the Grand Driving Class offered to both youth and adults. This class has the possibility of becoming very popular in the future and may lead to more cart drivers in the future. We recommend that show superintendents give it a try.

Saturday evening the exhibitors enjoyed a fantastic pitch-in dinner with a delicious pulled pork barbeque prepared by Glen Unzicker and Tim Dowsma. The evening continued with Lleaping Llama and Llama Limbo classes and a fun auction for the benefit of the HLAA Youth Scholarship Fund. Sean Hart and Jim Nenni, our willing auctioneers, provided a fun evening for everyone as well as a successful fund raising for the youth scholarship fund.

The two 2011 HLAA Youth Scholarship winners were recognized - John Fenker of Ft. Wayne, IN and Erin Vollmer of Carmel, IN. Both of these youth have been involved in ALSA for 10 years and have shown llamas locally as well as nationally. Both John and Erin’s profiles included many positive PR events using llamas in their community. We wish both of them the best of luck in the future!

The annual Earl B Wells Memorial award was awarded to John & Linda Fix of LaPorte, IN. The Fix’s have been involved in llamas since the start of ALSA and are founding members of the HLAA. In addition to serving on many committees over the years, Linda has served as ALSA Regional Show Superintendent and John is best known as Ring Steward Supreme! Congratulations to John & Linda. Your dedication and contributions are greatly appreciated by all.

Many, many thanks go out to all our fantastic volunteers, our sponsors, our many vendors, and our Show Superintendent, Shona Bedwell. Thanks to all of you, another fun and successful show was enjoyed by many llama lovers and many animals and youth qualified for the 2011 ALSA Grand National Show.

# BADGERLAND SWEEPSTAKES

National Qualifying Show for  
the Great Lakes Region

May 21-23, 2011  
Jefferson, Wisconsin

The sun shone, temperatures cooperated and the Fairgrounds were buzzing with activity as the exhibitors and llamas arrived at the 2011 Badgerland show at the Jefferson County Fairgrounds in Jefferson, WI on May 21-23. The show kicked off with youth judging on Saturday morning. It was great to see new youth faces stepping up and practicing their judging skills. Mary Reed was exceptional working with the youth. She took plenty of time after each class giving pointers and assisting our up and coming young judges to hone their presentations and gain a better understanding of 'why' animals were placed in their specific order. Performance classes went smoothly which allowed everyone to peruse the 4-H Silent Auction table filled with unique and interesting items. Thanks to all of those who donated items and to those who so kindly supported the Llovely Llama 4-H Club. Over \$500 was raised to continue the clubs fun projects, purchasing of their educational materials and various other activities they participate in during the 4-H year. Sunday's halter classes were as you would expect – filled with outrageously gorgeous animals. As you all know competition in the Great Lakes Region brings out the finest animals in the country. The Walking Fleece Classes were popular again this year as more and more exhibitors are getting interested in this aspect of the industry as well as gaining more knowledge about the fine fleeces their animals are carrying.

Mary Reed commented that she was given a 'heads up' at her last show that she would be judging the country's finest llamas when she came to Wisconsin! That comment was made to her at a show in the southern region. Our reputation certainly precedes us around the country.

Thanks to the ALSA Board of Directors, the Badgerland show received National Sanctioning. All llamas and youth which placed in their respective classes qualified for the ALSA Grand National in October. Congratulations.

Only one glitch presented itself on the fairgrounds during the weekend. Barb received a distress call from Larry Kisner on Sunday morning! Seems 'somehow' he and Bruce had locked their RV doors and one lock was stuck. After trying several keys and recruiting strong local farm muscle to open the stubborn door, a ladder was brought to the RV for their escape route.

A local locksmith was called and problem solved. Unfortunately the door will never be the same. I am sure a replacement was in order once back in Missouri. Larry and Bruce took the mishap in stride and enjoyed the rest of the show stating that they loved the area, people and the facility and will definitely be back next year.

Best in Show Halter and Fleece were once again offered this year. Hats off to 'Eye's on the Prize' owned by Animal Acres Llamas. This young female blossomed this spring. Placing 2nd at the Spring Celebrity in her Suri Female Futurity class, she took both top honors at the Badgerland show. The judge commented on how tough the competition was and felt several animals were neck in neck for the honors but this female just jumped out at her all day long.

The youth enjoyed friendly competition in the Badgerland's first Versatility Champion awards. Scores were tallied and displayed following their performance, fleece and halter classes.

Congratulations go to Tyler Gray showing Eye's on the Prize as the Grand Champion Versatility llama and Kaylee Reish showing Perfection's Kiss & Tell as the Reserve Champion Versatility llama.
