

Specialty Llama Fiber Entry Sheet

Show Name _____ Date _____

Class: 312 – HAND SPINNER'S CHOICE – This is a 2 oz. sample of prime fiber from the blanket area. Fiber may be sheared or brushed; guard hair and debris must be removed. The judge will prepare a portion by carding, and another by combing, and spin the samples. Fiber must be 100% llama (llama or alpaca) from an animal owned by the exhibitor.
