Lamas will be housed in the barns adjacent to the arena. Stalls are 10' x 10', solid walled with a door on front. All stalls have access to electric and water is conveniently located.

Due to stall availability, entries are limited to a capacity of 150 stalls. In the event that entries, timely received, exceed available stall space, entries in the main barn will be accepted and assigned on a first come, first served basis (based on postmark). Others will be placed in additional adjacent overflow stall space, if available.

ELIGIBILITY

PER ALSA REGULATIONS: All animals 5 months and older entered in approved classes, with the exception of Youth Classes, Performance and Adult Showmanship, must be registered with the International Llama Registry (ILR), the Canadian Livestock Records Corporation (CLRC), or with the Alpaca Registry Inc. (ARI). All animals not identified individually by a USDA metal ear tag, tattoo, or microchip must be accompanied by a COVI including a general description of the animal, a photograph of the animal being exhibited, and a notarized letter verifying that the animals being exhibited are those included on the COVI and in the accompanying photographs.
