If exhibitor is not sire's owner, written permission from the sire's owner is required **and** the entry form must be made in the owner's name.

CLASS 61 BEST OF SHOW

WOOL DIVISION WOOL DESCRIPTIONS (Current Edition ALSA Handbook)

Suri: fleece should have with a natural luster and hang and drape over the llama's body, usually forming a natural part along the spine. Fibers are grouped into a very distinctive and well-defined narrow lock structure.

Light Wool: minimal body wool, short neck wool, with smooth legs.

Medium Wool: moderate to long body wool, minimal to moderate neck wool, smooth to moderate leg wool.

Heavy Wool: Abundant body and neck wool with minimal to abundant leg wool (i.e., leg wool at least to knee and hock).

Llamas may be moved to different wool division at the judge's discretion.
